General functions of cookies: Cookies are small text files downloaded by browsers to the user's device, which enable identification and collection of information. Cookies have a unique identifier to distinguish the devices downloading website contents. The main function of cookies is to memorising user settings and giving the website owner the opportunity to learn about users' habits in order to enhance user experience.

Purpose of data processing: Manage cookies on The Data Controller's <https://adat.aki.gov.hu> website in order to maintain, improve its services and enhance user experience as follows:

- To ensure the basic functionality of the website.
- To improve the quality of services provided by the website.
- To create and process web analytics.
- To enhance user experience and make the use of the website easier.
- To identify malicious visitors attacking the website.

Legal basis for data processing:

The Data Controller handles personal data in accordance with the provisions of Act CXII of 2011 on the Right to Informational Self-Determination and on Freedom of Information, and of Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).

The Data Controller treats the personal data confidentially, and in order to preserve the data, it takes all technical and organisational measures related to the storage and data processing of IT and other secure data processing.

The Data Controller uses cookies that are essential for the use of the website in its legitimate interest in accordance with Section 6(1)(f) of the GDPR, the legal basis for the use of additional cookies is ensured by the consent of the data subject, which can be given through the cookie manager.

Method of data processing

Detailed information about the cookies used by the website is provided through the cookie manager.

The information collected by cookies is not sold by the Data Controller, or it is not shared with third parties, except to the extent necessary to provide the services for which the data subject has provided such information in advance and voluntarily.

In addition to the website's cookie manager, all modern browsers allow you to change the setting of cookies. As cookies are intended to facilitate or enable the use and processes of the website, thus by preventing or deleting the use of cookies, users may not be able to use the full functionality of the website.

In connection with the use of the website, the rights of data subjects related to data management and the procedure for enforcing their rights are set out in the [Privacy Statement](#) of the website.
